

Become One of a Select Few!!

As a practicing optometrist, please consider becoming a certified reviewer of courses submitted for COPE approval. The time you spend contributing to the COPE review process will promote fair and uniform course evaluations across the country. In the end, these quality control measurers will benefit practitioners in your state as well as the public that you serve.

What do I need to do to become certified?

- You must complete and submit a Course Reviewer Questionnaire.
- You must be endorsed by your optometry board; this endorsement will be secured by ARBO once you volunteer.
- Once endorsed, you will receive instructions to complete the online COPE reviewer training that consists of four 5-20 minute self-paced educational modules followed by a short self-assessment.
- Once the training has been successfully completed, you will receive your congratulatory packet of information, including a certificate suitable for framing and a lapel pin.

How much time will this take from my already busy schedule?

COPE reviewers are not requested to review more than two courses at any given time. The review of a course typically takes 30 to 60 minutes.

Please consider volunteering and contributing to the COPE review process. For more information please complete this form and send to ARBO at 200 South College St. Suite 1630, Charlotte, NC 28202 or fax to 1.704.970.2720:

Yes, I am interested and would like more information on serving as a certified COPE reviewer.
